Re: MUR 5723

Dear Mr. Jordan:

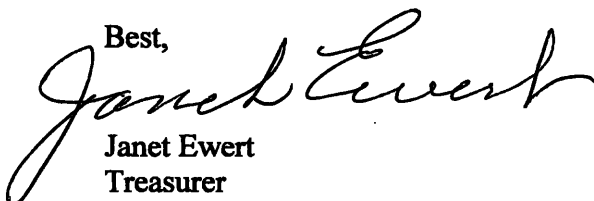

Pursuant to your letter dated April 3, 2005, please note that I have reviewed the letter of complaint sent to you by our opponent's supporter.

I am unclear about her claims (i.e., producing a letter of support from our state party chair, etc.). It's my understanding that the FEC's predominate role is to oversee campaign finance matters and that political questions of this nature, particularly those without merit, wouldn't be of interest to the agency. Additionally, on a fundraising note, we did not start raising money until after January 1, 2006.

Please feel free to call me at 434-295-2311, if any other questions arise or if I can be of assistance in any way.

Thank you in advance for helping to resolve this matter.

Best,
